Watercolor Society of Indiana

2022 James C. Lentz Memorial Art Scholarship

Today’s art students are tomorrow’s fine artists. The Watercolor Society of Indiana is proud to invest in the future of art by awarding a yearly scholarship to help a promising art student with rising tuition costs.

The Watercolor Society/James C. Lentz scholarship will be awarded to a high school senior who is pursuing a degree in either fine arts, arts education or art related field from a college, university, or school of design, and who will graduate from an Indiana high school before July 1 of the year in which the scholarship will be awarded. WSI will consider “fine arts to be something requiring highly developed techniques and skills.” The scholarship award of \$1000 will be paid directly to the college or university attended by the award winner.

The scholarship submission consists of a completed application form, portfolio, artist’s statement, letter of recommendation and transcript. Applications are due April 4, 2022.
